Broadband Update

Hadlow's phone exchange has now been enabled for BT's superfast BB. It's still not available in GG, although there may be news in the next few weeks of when our cabinet will go 'live'. Of course it's still the same copper wire degrading the signal from the cabinet to your house. And bear in mind the more people who sign up for BT Infinity in your locale, the worse the download/upload speeds get.

Gigaclear have changed their plans for Hadlow but say they will install their ultrafast fibre-to-your-house network in GG before Christmas. However, owing to staff problems, those who have already registered need to sign up again. If you haven't heard from them yet, or have any questions, please contact their reps Gary and Julian, currently in GG: Gary.Brokenshire@gigaclear.com, 07747 273946/Julian.Fifield@gigaclear.com, 07747 273945, or sign up at www.gigaclear.com/ordernow

The extent of the Gigaclear network in GG is still under consideration but the good news is it will be open to any provider, e.g. Sky or Virgin so you can shop around for the best price. Signing up now doesn't commit you, and no money will be taken, until the service is connected to your house.

As part of the WI Centenary Celebrations, Golden Green WI warmly welcomes local residents to a talk by
George Buswell

Join us for coffee after the talk but no need to stay for the WI business!

Doggy Business

Dog walkers urgently needed for Bourne Park!

Fancy some exercise? There are three or four dog owners in Bourne Park who, for various health reasons, are unable to walk their dogs. They are all small dogs of various ages. Can you help? Contact Dawn on 851262.

While on the topic of dog walking ... have you heard of [Dicky Bags](#)?

They're neoprene bags to keep those knotted poo bags in until you find a dog bin. (Has to be better than throwing them in the hedge.) You can even attach it to your dog to carry.

And finally – you can now report dog mess online: TMBC has an [online form](#) to report dog fouling or other dog control problems.

The Bell Football Team

The final results for last season's West Kent Sunday League are in. Although The Bell team struggled in Division Five throughout a difficult season, there were some notable victories, especially against Brenchley (5–2). The game against the Insulators is best forgotten but the important thing is, our gallant lads were remarkably consistent, gaining the same 13 points as last year and yet again beating Hadlow Utd, who came bottom of the league. Keep at it, gents and good luck for 2015/2016!

TMBC and Energy Deal

Energy Deal is open for residents to get savings on your energy bills. More information at energydealswitch.com.

WI Trip a Towering Success

Although our trip to [Hadlow Tower](#) was booked some weeks ago, with all the publicity stating that it may close, we wondered if we were going to be disappointed. But great news, open days are to carry on to the end of the season at least. Owing to the popularity of the outing, it was split into two days.

Sometimes known as May's Folly, the tower was built in 1835 by Walter Barton May just to annoy his neighbours! It has been renovated to a very high standard and the views from each floor are exceptional. There's a lift to the first three floors if you prefer not to climb the stairs but to get to the top, you have no option! I was informed that the view from there is wonderful. No, I didn't climb up there – after being told there were another 135 steps, I collapsed on the nearest seat! Luckily there were plenty around!

We were invited back to Doreen Cole's house afterwards. Sitting by the River Bourne eating homemade cake and scones with strawberry jam, I couldn't think of a better place to be (*see below, with guests*).

The Pearly King and Queen (*below*) entertained us in style at our 28th birthday party. The 'King' made us laugh when he tried to catch us out with rhyming slang – we did get most of them right though. We finished the evening with songs from yesteryear, belting out all the old favourites as loudly as we could. Our thanks go to all those who helped to make the evening so enjoyable.

Our outing on the Spa Valley Railway was split into two days as it was so popular. The weather was kind and the fish and chips lunch was enormous! The carriages are beautifully renovated and the chug-chug of the steam engine brought back so many memories. If it wasn't for the volunteers who run it, we would have missed out on a very enjoyable outing.

See overleaf for an account of our trip to the amazing building that is Hadlow Tower and for details of our open meeting on 16 September.

Next is the walk on 1 September.

The Village Pump

* Hot on the heels of the Pink-rumped Naked Cyclist, GG has had several sightings of a Rosy-cheeked Naked Rambler down by the Medway! Must be migratory as he only appears in the warm weather apparently.

* Soon be Christmas! Some early dates for your diary: GG carol service on 20 Dec at 4pm and retirees' lunch on 20 Jan.

* The GG book club next meets at The Bell on 22 Oct at 8pm (we're skipping September). We'll be discussing *Cloud Atlas* by David Mitchell. All welcome!

* Don't forget the mobile library calls at Victoria Road every Tuesday from 5pm for 15 mins. It's such a useful resource, please support it.

* The garages at Goldhill House, Hartlake Road were broken into last month. A timely reminder for us all to make sure sheds and garages are secure. See tips and advice about security on the [Kent Police](#) website.

* Edna Browning in Victoria Road would like to thank Dougie and Karen Dunn for their kindness in helping her dispose of a large freezer last month when the council couldn't help.

* Chris Blackburn suggests we log on to [Britain From Above](#), aerial photos from 1919–53, and search for GG. The pre-war photos of factories and mills contrast with the acres of emptiness where houses have yet to arrive.
