Hadlow Cemetery Extension update: The extension has been planned due to the lack of burial space in the existing cemetery. It will provide an estimated 836 graves, enough for around 70 years. The Memorial Gardens will have space for around 396 ashes plots and there are other under-utilised spaces that could accommodate additional burial area. The total cost of creating the layout is estimated to be £95,000.00 with additional costs for other preparatory works. We anticipate that it will be completed over two phases, with phase one starting next year to cover drainage, road and paths in the north-west corner and a memorial garden for ashes. Plans are available for viewing at the parish office until the end of November.

Parish Office Opening Hours: Tues and Thurs 9.30am–12 noon. To contact the Clerk at other times, please write, phone 851878 or email: clerk@hadlowpc.co.uk. Website: www.hadlowpc.co.uk
