

Apart from our usual term classes the highlight of the year has been our 13th Annual Show; 'When I Grow Up', performed in January. A great success, building on our previous annual shows, it was enjoyed by pupils and parents alike, as shown by these comments:

What a brilliant show!! It took some incredible people to put it all together. Bec

Thank you for a great show. I thought it was the best yet. Well done! It's such a pleasure seeing the children progress through the ranks. Matt

Just wanted to say a huge thank you for such a fabulous Show... my girls absolutely loved every minute of it and we were blown away by the quality of all the pieces. It was a huge amount of work for you and all the teachers they were just amazing. Carlo

I wanted to thank you for the achievement award you kindly gave to Carys - she is absolutely thrilled and this I no doubt boost her confidence further. The show was super - you all give so much to create such a fun and professional show. Thank you. Cheryl

I wanted to thank you all so much for all your hard work in putting together what was, without a doubt, the best show yet. The talent is amazing and the costumes fab. The whole thing was slick and so professional. Many commented that the show was on a different level. So proud of all of them. Jo

What an amazing show, thank you so much for all your hard work. I was completely blown away with the high standard of quality of each performance. Please pass on my congratulations to all involved in putting it together. Can't wait until next year!!! Katie

It was so much fun, we were on a real high afterwards. I can't begin to tell you how proud we were of Kayla who overcame her fear of getting up in front of people. You managed to help her and it's a testament to Footsteps for all the coaching and support you have given her. Very many thanks. Lisa

I have just tucked up into bed one very tired but very, very happy little girl. The Footsteps show just gets better and better and all the performers sparkle up on stage, regardless of age.... Thank you. Ursula

And our lovely ladies of the Senior Performing Group who walked away with a trophy from the Kent Dance Challenge competition.
