Beautiful Golden Green

Last month's GG Association and Mission hall AGMs highlighted some work needed in the hall, including repainting the roof and installing more efficient hand dryers. It was suggested that Signpost Field could benefit from a rubbish bin or two, and Chairman Alec has arranged for the grass on the triangle (where the village sign is) to be mowed more often.

Can you think of other ways GG could be improved? The perennial problem of speeding was raised (see Village Pump overleaf) but that's in the hands of KCC. The committee would welcome suggestions that the GGA could pay for and implement ourselves to make our community a brighter and better place. Some ideas at the meeting were a film club, more planters like the one outside the hall that's cheering up the place nicely, thanks to Rob & Roz) and a seasonal xmas tree on the triangle.

Please send us your ideas to make Golden Green an even more attractive place to live, whether they're social activities or environmental improvements. Contact Alec Pelmore, *The Hamlet* or any committee member listed overleaf.

Move it or Lose it: FABS Fitness Classes for Older Adults

GG Women's Institute by Iris Wilson

AGMs ... dull, tedious, boring? Not at Golden Green WI! The meeting was brought to order with an improvised gavel—a shoehorn, which was needed when a member tried on some shoes from the Bring & Buy table but couldn't get her boots back on!

We gratefully recognise that without the dedication of the present committee (Pearl, Rosemary, Rosalind and Marion), GG WI would struggle to carry on and we are so fortunate that they have volunteered to continue, with Sally now joining them. Rosemary was voted President again (she does the job so well!) and, with our small band of members who all have their own input, we are again viable for another year.

We discussed the proposed annual resolution, which concerns the serious issue of mental illness and its effect on sufferers and their families. It should not be confused with ordinary stress—which we all cope with at sometime or other—but mental illness can be devastating to the individual and their families. Among the most common conditions are schizophrenia, psychosis, bipolar disorder and anxiety disorders.

It was a very lively, in-depth discussion, with many questions and suggestions regarding the origins of mental ill health. We discussed various aspects at length, concluding that having someone to talk to and to listen is very important and that much more help should be available. We agreed the wording of the resolution is too vague and the voting reflected this, as many members abstained and it was only passed by a very narrow margin.

At the next meeting Sara Normand will be telling us about Beanstalk, a charity that aims to improve literacy across the UK. If you are interested then please do come and join us at 7.30pm on 20 June. We guarantee you'll be made most welcome. Hope to see you there.

The Village Pump

* Tarmac are giving a presentation about the **Stonecastle Farm** quarry extension to the parish council meeting on 26 Jun (7.30pm, Old School Hall). Contact the parish clerk (details in next column) by 20 Jun if you wish to attend and/or have questions.

* It was a year ago that *The Hamlet* reported KCC had allocated money for a **speed indication display** for GG but it's proving more elusive than a snowball in a sauna. We heard at the GG Association AGM last month that we might have to share it with East Peckham. Meanwhile the speeding (and the wait) continues ...

* A **dog poo bin** is to be installed close to Three Elm Lane next to the footpath that connects the Bourne with the Medway (near Barnes Place)—thanks to Cllr Janet Sergison for expediting. Let's hope the people who throw bags into the hedges use it!

* The next **Book Club** meeting is Tues 12 June at 8pm in The Bell, to discuss *Eva Luna* by Isabelle Allende.
